

DURA-BASE

Advanced Site Matting System

Heavy duty work platform for temporary access roads and job sites.

● Sole Dura-Base Supplier in PNG

Local support: we have fully equipped support bases in Port Moresby, NCD and Moro, Southern Highlands.

Environmentally friendly: made from 100% recyclable HDPE, which is non-absorbent and prevents cross-contamination threats.

Improve safety: the continuous work surface increases productivity while reducing worksite safety incidents.

We have more than 5,000 mats available for dispatch in PNG

Dimensions: 244 x 427 x 10.2 cm
Weight: 454 kg (up to 46 mats per truck load)
Load rating: 40 kg/cm² (600 psi)
Surface: non-slip tread pattern
Installation: overlap lip interlocks each mat
